RIST TRANSPORT, LTD., CUSTOMER SPECIAL ANNOUNCEMENT

May 31, 2023

Dear Valued Customers

RIST Transport LTD, a division of Wadhams Enterprises, is pleased to announce the recent acquisition of AMA Transportation Company, INC., an LTL trucking company located in Billerica, Massachusetts, as of June 1, 2023

AMA Transportation Company Co Inc. was founded in 1980 by Alfred R. Bruzzese, Jr. Today the company operates four terminals, including three with cross-docking operations, to provide overnight service throughout New England and expanded service to metropolitan areas in New York, New Jersey, and Pennsylvania. AMA operates a fleet of 75 power units throughout its service area. Tractors consist mainly of late-model Mack Trucks, and straight trucks are Internationals. Trailers, including 28-, 45-, 48- and 53-ft. dry vans, are a mix of makes and models. They also have warehouse services in Billerica. Brothers Anthony and Mark Bruzzese currently run the family-oriented business, much like Rick and I.

The decision to purchase AMA was simple for both parties. We have a long-standing history of working with AMA, for over 20 years, and proudly share the same business philosophy and ideology of family-owned and operated entities that are the heart and soul of each company. This was naturally the next step in growing our operations, to provide more diversified opportunities to meet the needs of our customers, while continuing to provide the same great experience and timely service. Specifically, we will offer direct service points throughout the Northeast region. This means we will now own and operate services through Vermont, Connecticut, Maine, Massachusetts and through New Hampshire. This is a great opportunity for everyone! We are very proud of the existing AMA knowledgeable associates who share the same cultural philosophies, business solutions and dedicated customer service. We look forward to building on the strong relationships that have been established many years ago through our partnership and supporting our customers with expanded additional delivery options.

For your reference, I have included our new Coverage Map and Q & A to answer some of the questions you may have. Currently, both RIST and AMA will continue to operate as usual as we work through the layers of this transition. We will continue to provide important notifications and updates throughout this transition period as needed. Contact information for both companies will continue to remain the same at this time.

We look forward to this new venture. If you have any questions, please feel free to reach out to your Sales Manager. Thank you for your continued patronage with us – we truly appreciate you and your business with RIST Transport LTD.

Please join me in welcoming the AMA Transportation Company & team to the RIST Transport LTD family.

Sincerely,
